**INCLUDING SAMUEL**  
 a documentary by photojournalist Dan Habib

*Before his son Samuel was diagnosed with cerebral palsy eight years ago, photojournalist Dan Habib rarely thought about the inclusion of people with disabilities. Now he thinks about inclusion every day. Habib's award-winning documentary film, Including Samuel, honestly chronicles the Habib family's efforts to include Samuel in every facet of their lives. Through vivid interviews with dozens of teachers, young people, parents, and disability rights experts, the film also features the experiences of four other families coping with inclusion: an adult with cerebral palsy, a teenager with schizophrenia, a school-age child with autism, and another with a developmental disability*

**PROGRAM:**

The film will be followed by a panel discussion and small group conversations with Dan Habib, Barbara O'Brien (Samuel's K-2 teacher), and Keith Jones (President, Soul Touchin' Experiences).
